

IT MANAGER

Montego Pet Nutrition, a market leader in the South African Pet Food Industry, is looking for a focused, motivated and driven person to take up the position of IT Manager to manage the ever increasing complexity of our growing environment, coupled with strategic execution to enable business outcomes.

ESSENTIAL FUNCTIONS

Essential functions and responsibilities may include but are not limited to:

- Managing a cross functional team of 4 Technical Specialists to develop, maintain and support the service management toolsets and applications to support ICT services;
- Develop, implement and maintain the companies' ICT policies and procedures;
- Ensure the ongoing development of staff through relevant training on appropriate technologies;
- Plan for projects and programs as required, and develop budgets for both capital and operational expenditure;
- Selection and implementation of suitable technology to enable continuous improvement of internal operations and drive business outcomes;
- Oversee network and system infrastructure to ensure optimal performance;
- Maintain ICT asset registers, to ensure equipment maintenance and optimal Return on Investment;
- Create awareness of information security within the business, promote and improve policies in this regard, and conduct regular tests to ensure the integrity of all data assets and stakeholder information;
- Oversee projects by coordinating resources and timelines with departments and remote offices as required;
- Managing supplier and outsourced service provider relationships in line with agreed balanced scorecards and vendor contracts, and negotiating SLA's and OLA's;
- Any other reasonable duties which are related or directly impact the designated areas of responsibility or service

SKILLS AND ATTRIBUTES:

- Experience with Microsoft AD, Microsoft TS, Microsoft SQL, Office 365 and Azure is a requirement with Microsoft Certifications being advantageous;
- Experience with virtualisation technologies including VMware, Virtual Networking, Veeam Backup, Vendor Certifications and Sage ERP or similar products;
- Understanding & experience with Wide Area and Local Area networking and information security;
- Experience working in a manufacturing environment may be beneficial;
- Minimum of 5 years IT management experience;

A competitive salary package will be offered.

Closing date: Thursday, 22 October 2018 at 12:00
